

3rd National Chemistry Meeting SCS2025

When? June 16-18, 2025.

Where? Steam Hotel, Västerås, Sweden.

The 3rd National Chemistry Meeting of the Swedish Chemical Society, SCS2025, takes place in the vicinity of Stockholm. Participants from all fields of chemistry are welcome. The program will include inspiring presentations, interactive poster sessions, and ample networking opportunities at Steam Hotel. Read more here about the hotel: www.steamhotel.se

Registration fee includes conference participation, accommodation at Steam Hotel, lunches and coffees, and the conference dinner. Registration without accommodation is also possible. For more information and registration, see: www.scs2025.se

Register before the early bird expires, on February 14, to ensure a room!

On behalf of the organizing committee:

Mark Rutland, KTH Royal Institute of Technology
Berit Olofsson, Stockholm University
